SCRAMBLE SCORECARD

Event _____ Date _____ Team _____

Course and tees _____ Course Rating _____ Slope Rating _____

Par _____

Team handicap

Player, lowest Course Handicap first	Handicap Index	Course Handicap, not rounded	Share	Counts
Lowest			25%	
2nd lowest			20%	
3rd lowest			15%	
Highest			10%	
Team handicap: add up the Counts column, round to the nearest whole number				

Course Handicap = Handicap Index × Slope Rating ÷ 113 + (Course Rating − Par), to two decimals; don't round it yet. **Counts** = that Course Handicap × the share. Round only the team total. Shares recommended by the USGA: 4 players 25, 20, 15, 10%; 3 players 30, 20, 10%; 2 players 35, 15%. The committee can set its own.
